

# LEAVE YOUR SLEEP FOR EDUCATION®

— CELEBRATING OUR 8TH YEAR ON THE PENINSULA —

Please join us for an evening to benefit GSC  
*featuring Tijn Koenderink*

Testing gifted as a child, Tijn started an IT company after high school focusing on complex data analysis. He quickly realized his passion is gifted and talented students. A gifted specialist, entrepreneur, and author of the books ‘The 7 Challenges’ and ‘Is it a grade?’ and forthcoming ‘Bright Minds for a Bright Future.’ Tijn is founder of Novilo, Feniks Talent, Levanimo, and Take on Talents and an active board member at the School of Understanding. Novilo is the largest gifted themed training company in the Netherlands which trains 5,000 teachers per year about the importance of developing talents and mindset of their students, rather than focusing on passing standardized tests.

Followed by a panel discussion with:

- Anabel Jensen, Ph.D., *Co-Founder and President of Six Seconds, The Emotional Intelligence Network*
- Bradley Siu, Psy.D., *Licensed Clinical Psychologist, GSC Assessment Specialist*
- Tijn Koenderink, *Founder, School of Understanding and Take on Talents*
- Ann Smith, *Co-Founder and Executive Director, Gifted Support Center*

**Wednesday, February 21, 2018**

6:00 pm

**Hero City at Draper University**
